CHRIST'S CHAPEL OF GOD'S GIFT AT DULWICH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2008

History and Constitution

ALLEYN'S COLLEGE OF GOD'S GIFT

Edward Alleyn, a successful actor-manager and entrepreneur, purchased the Manor of Dulwich in 1605. Some years later, he decided to create a charitable foundation in Dulwich, endowing it with his estate and other property. Christ's Chapel of God's Gift was the first of the buildings to be completed, being consecrated on 1 September 1616. Letters patent were granted by King James I, and on 21 June 1619 Alleyn's College of God's Gift was formally established.

The original beneficiaries were twelve poor scholars, six poor brothers and six poor sisters, all chosen from four parishes with which Alleyn was closely associated: St Botolph's Bishopsgate (where he was born); St Saviour's Southwark (where he had lived and been Churchwarden); the parish of St Giles Cripplegate (where his Fortune Theatre was situated); and the parish of Camberwell, in which his Manor lay.

In 1882, the Charity was split into two parts. The Board of Estates Governors had responsibility for managing the properties and investments of the Dulwich Estate and for distributing annually all surplus income to the specified beneficiaries; and, as a separate function, to manage and account for the Eleemosynary Branch. The Board of College Governors had responsibility for managing the education side (Dulwich College, Alleyn's School, Dulwich Picture Gallery and Christ's Chapel).

New arrangements for both Boards were introduced by Schemes approved by the Charity Commissioners on 31 July 1995. The Boards of Estates Governors and College Governors ceased to exist on that day. With effect from 1 August 1995 the functions of the Board of Estates Governors were assumed by the Trustees of The Dulwich Estate (as regards the properties, investments and other activities of the Estate) and by the Trustees of the Dulwich Almshouse Charity (as regards the Eleemosynary Branch). Separate boards of trustees came into existence for Dulwich College and for Alleyn's School, a new and separate Board of Trustees of Dulwich Picture Gallery having been formed earlier in the year. Under a separate Scheme, the Trustees of The Dulwich Estate also became the Trustees of the Charity Christ's Chapel of God's Gift at Dulwich. In 1998 The Dulwich Estate Trustees became an incorporated body by an Order of the Charity Commission.

Objects

The Trustees are committed to continuing to maintain Christ's Chapel as a place of worship for the Foundation Schools, the residents of the Dulwich Almshouses and the wider population of the area. In meeting these objects, the Board considers that Christ's Chapel of God's Gift at Dulwich continues to qualify as a charity.

Governance and Management

The Board of The Dulwich Estate is the governing body of the Chapel Charity and the Trustees who served during the year and their nominating bodies are shown on page 2. There were no changes in Trustees during the period.

Under the Scheme approved by the Charity Commission in respect of The Dulwich Estate, Trustees ordinarily serve for an initial term of five years and may then be re-appointed for a second, continuous, term of five years. Where, exceptionally, at least two thirds of the remainder of the Trustees resolve that a particular Trustee should be appointed for a third consecutive term, this period shall not exceed five years.

CHRIST'S CHAPEL OF GOD'S GIFT AT DULWICH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2008

New Trustees are introduced to the operation of The Dulwich Estate and its Beneficiary Charities, including the Chapel Charity, and are made aware of the Charities' objects. Trustees are encouraged to avail themselves of seminars and training courses of relevance which are made available to the charity sector.

The Board meets ordinarily four times a year to consider all matters in relation to the Chapel Charity and day to day management and administration of the Chapel is delegated by the Board to the staff of The Dulwich Estate.

The Chapel Committee, which meets three times a year, has responsibility for most aspects of the administration of the Chapel within overall policies set by the Board and has a consultative role in the development and review of policies and budgets. The Committee comprises five Trustees and five others drawn from users of the Chapel, including the Foundation Chaplain, representatives from the Parish and Congregation, and a representative of the three Dulwich schools of the Foundation (the Heads of all three schools are invited to attend). Chaplains of the Foundation Schools attend as

The use of the Chapel as a place of worship is the responsibility of the parish of St Barnabas - the Vicar of St Barnabas, the Revd Canon Dianna Gwilliams, serves as the Foundation Chaplain. In addition to weekly Holy Communion, morning prayers and Evensong, the Chapel is used by the Foundation Schools and others. Bookings for the Chapel are made through the Parish Office in liaison with the Estate Office.

The repair and maintenance of the fabric of the Chapel is managed by the staff of The Dulwich Estate.

Statement of Responsibilities of the Board of Trustees

The Board of Trustees is responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for the year. In preparing financial statements giving a true and fair view the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and Statements of Recommended Practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy the financial position of the charity and enable it to ensure that financial statements comply with applicable law and the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board of Trustees confirms its acceptance of these responsibilities.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2008

Review of Activities

The Chapel continues to meet the Charity's object as a place of worship for the Foundation Schools, the Parish and the wider community. It remains a very popular location for weddings and other activities. The Vestry is an asset to the Parish, being the venue for, among other things, coffee mornings for the Dulwich Almshouse residents and outreach beneficiaries and Dulwich Helpline.

The Chapel is used for musical events by all three Dulwich Foundation Schools, as well as by the Parish and visitors. An annual Commemoration Service is held on the eve of Founder's Day with all Dulwich School pupils past and present being well represented. The Dulwich Schools hold their annual Remembrance Day service around the war memorial in the Chapel grounds.

The Chapel's immediate neighbour - Dulwich Picture Gallery - has an arrangement providing access to the Chapel and its visitors and others are provided with an opportunity, on Fridays, to visit the Chapel (subject to the availability of members of the Parish to supervise visitors).

As reported last year, the long awaited restoration works to the organ have begun with its removal to the organ builder's workshop in Devon. Interim progress reports are encouraging and it is now hoped that organ will be reinstalled in the autumn of 2008.

The Trustees wish to express their appreciation of the continuing and effective contribution of the members of the Chapel Committee and observers.

Financial Position

The Dulwich Estate Charity provides some 40% of the Chapel Charity's annual income. The Charity's own resources, together with the continuing support of The Dulwich Estate, are sufficient to meet its future financial needs, including the organ rebuilding costs. The operating surplus for the year exceeded the forecast.

Reserves Policy

The Board of Trustees has established, by way of transfers from the Unrestricted Fund, two Designated Funds to provide for the costs of maintaining the Chapel in good repair in accordance with programmes of works for both the coming year and for the longer term. The details of these funds are disclosed in Note 12 of the Financial Statements.

Investment Policy

There have been no changes during the year to the Charity's investments. The Panel of Trustees appointed to review investment holdings met in June 2008 to formally consider whether any changes are required. The Charity's investment holdings are appropriate to meet its future needs, including the cost of the organ restoration. The performance of the portfolio is considered satisfactory.

Auditors

PKF (UK) LLP, having indicated their willingness, are re-appointed auditors to the Charity for the coming financial year.

**INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES
OF CHRIST'S CHAPEL OF GOD'S GIFT AT DULWICH**

We have audited the financial statements of Christ's Chapel of God's Gift at Dulwich for the year ended 31 March 2008 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Trustees, as a body, in accordance with Regulation 7 of the Charities Accounts and Reports Regulations 2005. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

The Trustees' responsibilities for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Trustees' Responsibilities.

We have been appointed as auditors under section 43 of the Charities Act 1993 and report in accordance with regulations made under section 44 of that Act. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and have been properly prepared in accordance with the Charities Act 1993. We also report to you if, in our opinion, the Trustees' Report is not consistent with the financial statements, if the charity has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

We read the Trustees' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the charity's affairs as at 31 March 2008 and of its incoming resources and application of resources in the year then ended: and
- have been properly prepared in accordance with the Charities Act 1993.

CHRIST'S CHAPEL OF GOD'S GIFT AT DULWICH
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH 2008

1 GENERAL INFORMATION AND ACCOUNTING POLICIES

a) **Basis of accounting**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of investments and in accordance with applicable accounting standards, and the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued by the Charity Commissioners for England and Wales in March 2005 (SORP 2005). The principal accounting policies are described below and are consistent with the prior year.

b) **Investments**

Investments are stated at market value. The Statement of Financial Activities includes those unrealised gains and losses arising from the revaluation of the investment portfolio during the year and does not distinguish between the valuation adjustments relating to sales and those relating to continued holdings as they are together treated as changes in the value of the investment portfolio. Investment income is accounted for on a receivable basis.

c) **Income**

The Statement of Financial Activities is credited, on an accruals basis, with investment income and rent receivable and is charged with all resources expended in meeting the Charity's objects.

d) **Resources Expended**

Charitable activity comprises all costs directly related to maintaining Christ's Chapel as a place of worship for the population of the area.

Costs of generating funds comprise all expenses in regard to the Charity's property which is rented out.

Governance costs are associated with the governance arrangements of the Charity. These costs include recharges from The Dulwich Estate of £2,466 (2007: £2,366) in connection with preparing the accounts, board meeting agendas and budgets; governance costs also includes the audit fee of £2,337 (2007: £2,290).

e) **Restricted Funds**

The Bernard Wili legacy is held as a separate fund to be utilised as described in note 10, below. Similarly, donations received which are specifically for the restoration of the organ will be applied only to the cost of the works to the organ.

f) **Unrestricted Funds**

The unrestricted funds comprise the accumulated surpluses that have not been designated for specific purposes. These are available, at the discretion of the Trustees, for use in furtherance of the objective of the charity.

g) **Designated Funds**

Funds to provide for Cyclical and Special Repairs to the Charity's property have been established by annual allocations from the Unrestricted Fund. Surplus funds are held on Treasury Deposit pending release to meet the cost of repair works.

3 FREEHOLD PROPERTY

The Chapel building and other endowed property cannot be disposed of as it is central to the objects of the charity. This property is regarded as an inalienable and a heritage asset and, having no historical cost, no value has been attributed to it. It is the Charity's practice to maintain those assets in a continual state of sound repair and to make improvements thereto from time to time. The property was revalued in March 2002 for insurance purposes at £2,940,000. SORP 2005 permits the Trustees not to include heritage assets in the accounts where they consider that the costs involved in obtaining a valuation would be onerous compared with the additional benefit derived by users of the accounts in assessing the Trustees' stewardship of the assets. The Trustees are of this view and therefore the building has not been capitalised.

4 FIXED ASSETS

During the year, extensive work has continued (under a contract Note 16 below) in relation to rebuilding the Chapel Organ. As this project is currently unfinished, it has been classified as work in progress and therefore no depreciation will be charged until works are completed and the Organ is re-installed in the Chapel which is anticipated to be completed in Autumn 2008.

The Cyclical Maintenance Fund is to enable the Charity to meet its duty to maintain and repair its property in accordance with a planned programme of works. The Special Repairs Fund was set up in 1998 to meet the costs of repairs, redecoration and re-ordering to the interior of the Chapel, the majority of which was completed in 1999/2000. These Funds are established in accordance with clause 3 (d) of the Scheme Number 4 of 5, dated 31 July 1995 and are maintained at levels to meet anticipated future expenditure during the next year in respect of the Special Repair Fund and over five years in respect of the Cyclical Maintenance Fund.
