CHRIST'S CHAPEL OF GOD'S GIFT AT DULWICH

REPORT OF THE TRUSTEES YEAR ENDED 31 MARCH 2014

History and Constitution

ALLEYN'S COLLEGE OF GOD'S GIFT

Edward Alleyn, a successful actor-manager and entrepreneur, purchased the Manor of Dulwich in 1605. Some years later, he decided to create a charitable foundation in Dulwich, endowing it with his estate and other property. Christ's Chapel of God's Gift was the first of the buildings to be completed, being consecrated on 1 September 1616. Letters patent were granted by King James I, and on 21 June 1619 Alleyn's College of God's Gift was formally established.

The original beneficiaries were twelve poor scholars, six poor brothers and six poor sisters, all chosen from four parishes with which Alleyn was closely associated: St Botolph's Bishopsgate (where he was born); St Saviour's Southwark (where he had lived and been Churchwarden); the parish of St Giles Cripplegate (where his Fortune Theatre was situated); and the parish of Camberwell, in which his Manor lay.

The Dulwich College Act of 1857 reconstituted the Foundation and in 1882 the Charity was reorganised. The Upper School became Dulwich College and the Lower School became Alleyn's School. Two boards of trustees were formed: the Estates Governors with responsibility for managing the Estate's property, investments and the Eleemosynary branch (Edward Alleyn House comprising 16 flats benefiting the elderly in need of housing); and the College Governors to administer Dulwich College, Alleyn's School, Christ's Chapel and Dulwich Picture Gallery.

New arrangements for both Boards were introduced by Schemes approved by the Charity Commissioners on 31 July 1995. The Boards of Estates Governors and College Governors ceased to exist on that day. With effect from 1 August 1995 the functions of the Board of Estates Governors were assumed by the Trustees of The Dulwich Estate (as regards the properties, investments and other activities of the Estate) and by the Trustees of the Dulwich Almshouse Charity (as regards the Eleemosynary Branch). Separate boards of trustees came into existence for Dulwich College and for Alleyn's School, a new and separate Board of Trustees of Dulwich Picture Gallery having been formed earlier in the year. Under a separate Scheme, the Trustees of The Dulwich Estate also became the Trustees of the Charity Christ's Chapel of God's Gift at Dulwich. In 1998 The Dulwich Estate Trustees became an incorporated body by an Order of the Charity Commission.

Object

The Trustees are committed to continuing to maintain Christ's Chapel as a place of worship for the Foundation Schools, the residents of the Dulwich Almshouses and the wider community.

Public Benefit

The Trustees have reviewed the Charity Commission's guidance on the requirement to report on public benefit. In meeting its objects, stated above, the Board is satisfied that Christ's Chapel is of benefit to the general public as a place of worship and for other activities.

Governance and Management

The Board of The Dulwich Estate is the governing body of the Chapel Charity and the Trustees who served during the year and their nominating bodies are shown on page 2.

Under the Scheme approved by the Charity Commission in respect of The Dulwich Estate, Trustees ordinarily serve for an initial term of five years and may then be re-appointed for a second, continuous, term of five years. Where, exceptionally, at least two thirds of the remainder of the Trustees resolve that a particular Trustee should be appointed for a third consecutive term, this period shall not exceed five years.

New Trustees are introduced to the operation of The Dulwich Estate and its Beneficiary Charities, including the Chapel Charity, and are made aware of the Charities' objects. Trustees are encouraged to avail themselves of seminars and training courses of relevance which are made available to the charity sector.

CHRIST'S CHAPEL OF GOD'S GIFT AT DULWICH

REPORT OF THE TRUSTEES YEAR ENDED 31 MARCH 2014

The Board meets ordinarily four times a year to consider all matters in relation to the Chapel Charity and day to day management and administration of the Chapel is delegated by the Board to the staff of The Dulwich Estate.

The Chapel Committee, which meets three times a year, has responsibility for most aspects of the administration of the Chapel within overall policies set by the Board and has a consultative role in the development and review of policies and budgets. The Committee comprises five Trustees and six others drawn from users of the Chapel, including the Foundation Chaplain, the Organist, representatives from the Parish and Congregation, and a representative of the three Dulwich schools of the Foundation (the Heads of all three schools are invited to attend). Chaplains of the Foundation Schools attend as Observers.

Operation

The use of the Chapel as a place of worship is the responsibility of the parish of St Barnabas - the Vicar of St Barnabas serves as the Foundation Chaplain. In addition to weekly Holy Communion, morning prayers and Evensong, the Chapel is used by the Foundation Schools and others. Bookings for the Chapel are made through the Parish Office in liaison with the Estate Office.

The repair and maintenance of the fabric of the Chapel is managed by the staff of The Dulwich Estate.

Statement of Responsibilities of the Board of Trustees

The Board of Trustees is responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the Charity for the year. In preparing those financial statements the Board of Trustees is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time, the financial position of the Charity and enable it to ensure that the financial statements comply with the Charities Act 2011 and regulations made thereunder and the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the Charity's financial information included on The Dulwich Estate Charity's website. Legislation in the United Kingdom governing the preparation and dissemination of the financial statements and other information included in annual reports may differ from legislation in other jurisdictions.

The Board of Trustees confirms its acceptance of these responsibilities.

REPORT OF THE TRUSTEES YEAR ENDED 31 MARCH 2014

Review of Activities

The Chapel continues to meet the Charity's object as a place of worship for the Foundation Schools, the Parish and the public. It remains a very popular location for weddings and other activities. The Vestry is an asset to the community, being the venue for, among other things, coffee mornings for the Dulwich Almshouse residents and outreach beneficiaries and the Befriender Group.

The Chapel is used for musical events by all three Dulwich Foundation Schools, as well as by the Parish and visitors. An annual Commemoration Service is held on the eve of Founder's Day with all Dulwich School pupils past and present being well represented. The Dulwich Schools hold their annual Remembrance Day service around the war memorial in the Chapel grounds.

Following the reinstallation of the restored 1760 George England organ in 2009, this continues to be played during services and at recitals given by both local and visiting organists, as well as being used by organ scholars.

Board composition

Lord Kakkar retired after five years' service and the Board was pleased to welcome Mr Richard Pinckard as his successor, as one of the nominees of the Governors of Alleyn's School.

Chapel Committee

Mrs Christine Broomhead re-joined the Committee (having previously served as Secretary to St Barnabas PCC) as the Joint Congregation Warden, following the retirement of Dr William Marshall.

The Board acknowledges its appreciation of the continuing and effective contribution of the members of the Chapel Committee and observers in achieving its object.

Financial Position

The Dulwich Estate Charity provides almost 47% of the Chapel Charity's annual income. Expenditure again exceeded income during the year, partly due to the depreciation charge in respect of the organ (a non-cash outflow). However, the Charity's own resources, together with the continuing support of The Dulwich Estate, are considered to be sufficient to meet future financial needs.

Reserves Policy

The Board has established, by way of transfers from the Unrestricted Fund, two Designated Funds to provide for the costs of maintaining the Chapel in good repair in accordance with programmes of works for both the coming year and for the longer term. The details of these funds are disclosed in Note 12 of the Financial Statements.

Investment Policy

There was no change in investment holdings during the year and the market value of the portfolio rose by 12.1% as at 31 March 2014.

Auditors

BDO LLP, having indicated its willingness, is re-appointed Statutory Auditor of the Charity for the coming year.

CHRIST'S CHAPEL OF GOD'S GIFT AT DULWICH
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH 2014

1 GENERAL INFORMATION AND ACCOUNTING POLICIES

a) **Basis of accounting**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of investments and in accordance with applicable accounting standards, and the Statement of Recommended Practice "Accounting and Reporting by Charities" issued by the Charity Commissioners for England and Wales in March 2005 (SORP 2005). The principal accounting policies are described below and are consistent with the prior year.

b) **Fixed Assets**

Expenditure on the Organ restoration is included at cost of works done and is being depreciated on a straight line basis over 40 years from 1 July 2009.

c) **Investments**

Investments are stated at market value in accordance with the Statement of Recommended Practice. The Statement of Financial Activities includes those unrealised gains and losses arising from the revaluation of the investment portfolio during the year and does not distinguish between the valuation adjustments relating to sales and those relating to continued holdings as they are together treated as changes in the value of the investment portfolio. Investment income is accounted for on a receivable basis.

d) **Stock**

Stocks of guidebooks to the Chapel are carried at the lower of cost and net realisable value.

e) **Income**

The Statement of Financial Activities is credited, on an accruals basis, with investment income and rent receivable and is charged with all resources expended in meeting the Charity's objects.

f) **Resources Expended**

Charitable activity comprises all costs directly related to maintaining Christ's Chapel as a place of worship for the population of the area.

Costs of generating funds comprise all expenses with regard to the Charity's non-operational property which is rented out.

Governance costs are associated with the governance arrangements of the Charity. These costs include recharges from The Dulwich Estate of £3,000 (2013: £2,900) in connection with preparing the accounts, board meeting agendas and budgets; governance costs also includes the audit fee of £2,800 (2013: £2,922).

g) **Restricted Funds**

The Bernard Wili legacy is held as a separate fund to be utilised as described in note 10, below. Similarly, donations received which are specifically designated for the restoration of the organ are applied to the cost of works and maintenance of the organ.

h) **Unrestricted Funds**

The unrestricted funds comprise the accumulated surpluses that have not been designated for specific purposes. These are available, at the discretion of the Trustees, for use in furtherance of the objective of the charity.

i) **Designated Funds**

Funds to provide for Extraordinary and Cyclical Repairs to the Charity's property have been established by annual allocations from the Unrestricted Fund. Surplus funds are held on bank deposit pending release to meet the cost of repair works.

3 HERITAGE ASSET

The Chapel building and other endowed property cannot be disposed of as these are central to the objects of the Charity. This property is regarded as an inalienable and a heritage asset, and the Trustees consider there to be no valuation method that is appropriate or relevant under FRS15 or FRS30; as such the asset is not recognised in the balance sheet. It is the Charity's practice to maintain these assets in a continual state of sound repair and to make improvements thereto from time to time. The property was revalued in January 2014 for insurance purposes at a rebuilding cost of £4,799,000. The valuation was performed by Daniel Watney LLP, Chartered Surveyors and there were no significant limitations on the valuation.
